

## INSTRUCTIONS TO AUTHORS!

Requirements for articles submitted to Bulletin of Lviv Polytechnic National University

The text of the articles should be submitted by e-mail: [roman.y.khmil@lpnu.ua](mailto:roman.y.khmil@lpnu.ua)

The main text font = 11, 1.1 spacing, typeface Times New Roman.

Sheets of A4 format (210×297 mm). Indenting: left — 2,5 cm, right — 2,3 cm, top — 2.5 cm, bottom — 3.5 cm. Mirror margins. Headers and Footers: top 1.6 cm, bottom — 3.2 cm. Page numbers are not tabulated.

In the first line on the right the УДК and JEL-codes should be indicated (in bold font). The next line — the author's name (in bold font), right-aligned. Next line — place of work of the authors (right-aligned). Next line — article title (font size = 14, bold font), middle-aligned. Next line — the names and initials of the authors (italic, left-aligned, beginning with the sign ) and a year of writing. After one skipped line — abstract in Ukrainian (0.5 full first page, indentation 1cm). After the abstract — keywords. After one skipped line — title, authors' names, abstract and keywords in English (0.5 full first page, indentation 1cm). From new page — the main text of the article in English. (see Example of a publication).

Titles of tables should be middle-aligned (size 11, bold font), numbering of tables should be right-aligned (italic font). Font size for typing in tables is 10.

Numbers of formulas are placed in round brackets to the right of the text.

The figures should be performed with Microsoft Office applications or inserted in the publication in raster formats TIFF, PCX, BMP with a resolution of 300 dpi. Inscriptions under drawings should be executed in typefaces Times New Roman 10, skittle. Figures made in Microsoft Word should be grouped as one object.

List of references (a must) should be given at the end of the publication in italics (words «List of references» are not intended). It is mandatory to reference sources in the text of the article.

Size of publication — 4-10 fully pages.

### AUTHORS PRESENT TO THE EDITORIAL BOARD:

1. The electronic file of the article.
2. One printed copy of the article (printing contrast). There must be the signature of the author(s) on the first page of the article.
3. Two reviews — internal and external (both with certified signatures). Reviews should highlight: description of object of research, relevance of the work, scientific novelty, importance of the results of research, shortcomings in the work and offer recommendation for publication in the Journal. The volume of review — not less than one full page.

For external authors (not from Lviv Polytechnic National University), except listed above, should be also submitted:

4. Letter of request from the management of organization where the author studies addressed to vice-rector for Scientific Research of Lviv Polytechnic National University Nataliya Chukhray asking for scientific and technical expertise of the article and its publication (See below Pattern).

5. Information on the author.

Проректору з наукової роботи  
Національного університету  
"Львівська політехніка"  
професору Н.І. Чухрай

### ЛИСТ –ДОЗВІЛ

Не заперечуємо проти публікації наукової статті Петренка В.С, Семенюка О.В. "Несуча здатність залізобетонних колон в складних умовах роботи" у Віснику Національного університету "Львівська політехніка" серії "Теорія та практика будівництва".
