

We invite you to take part in
The 5th International Scientific-Technical Conference

Water Supply and Wastewater Disposal designing, construction, operation and monitoring

October, 18-22, 2023, Lviv, Ukraine,

Lviv Polytechnic National University

The 5th International Scientific-Technical Conference concerns the actual problem of water distribution, wastewater removal systems and water purification, sewage and sludge treatment. The main purpose of the Conference is to develop and increase the cooperation between universities, research institutions and professional businesses by exchange and integration of international, knowledge, education and management.

CONFERENCE ORGANIZERS

- Lviv Polytechnic National University, Lviv, Ukraine.
- Lublin University of Technology, Lublin, Poland.

CONFERENCE TOPICS

- Water supply and wastewater networks
- Water purification, wastewater and sludge treatment
- Economy of water and wastewater management
- Influence of elements of water and wastewater management systems on the natural environment.

Information for participants

Deadline for application **abstracts**: – by **03 October**, 2023

Deadline for submitting manuscripts in the monograph – until October 29, 2023

The conference will be hosted **remotely** via the MS Teams platform. Participants will have the opportunity to present their work in the form of a **presentation** or a **poster** (posters are pre-loaded by the authors on the conference GoogleDisk)

The organizational fee is paid by the author's team for the written abstracts and amounts to **UAH 200**, which includes:

- publication of the material in the conference abstracts
- publication of an article in a collective monograph with ISBN and DOI assignment;
- publication of an article in the journal [Environmental Problems](#) (professional, category B);
- organizational costs of the organizing committee.

The registration fee does not include the cost of publication in the [Journal of Ecological Engineering](#) (SCOPUS, WOS).

Abstracts can be prepared in Ukrainian, Polish or English, 1-2 full pages, and will be published in an online version.

Submissions should be sent to wswr@lpnu.ua

Abstracts will be accepted for processing only after registration.

Link to the registration card in Google Forms: <https://forms.gle/HPnXimVYAJRd98GY7>

The deadline for registration and registration payment, formatting and preparation of abstracts, as well as other information are available on the conference website <https://science.lpnu.ua/wswr-2023>
