The VIIth Polish-Ukrainian Scientific Conference "Polymers of Special Applications" was held on September 23-25, 2012 in Poland (Świeta Ktarzyna – Kielce region). It was organized by the Department of Polymer Chemistry and Technology (Kazimierz Pułaski Technical University of Radom, Poland), the Department of Macromolecular Chemistry (National Kiev Taras Schevchenko University, Ukraine), the Department of High-Molecular Compounds (Ukrainian State Chemical Technology University, Ukraine) and Lviv Polytechnic National University (Ukraine).

The main objective of the Conference was the exchange of experiences between researchers of different institutions of Ukraine and Poland as well as to allow graduate students to enlarge their knowledge in the field of polymer science and technology.

Several scientific works (27 oral presentations and about 50 posters) related with the following fields were presented:

- Synthesis of monomers for special polymers.
- Special polymer synthesis and testing of their properties.
- Modification and application of polymers.
- Modern polymeric composite materials.

About 55 participants from the following institutions attended the conference:

From Poland:

- Department of Polymer Chemistry and Technology Technical University, Radom;

- Department of Polymer Engineering and Technology, Wrocław University of Technology ;
- Department of Technology and Materials Chemistry, Rzeszów University of Technology ;
- Department of Polymer Chemistry and photochemistry, Nicolaus Copernicus University, Toruń;
- Industrial Chemistry Research Institute, Warsaw From Ukraine
- Department of Macromolecular Chemistry Taras Schevchenko National University of Kiev;
- Department of High-Molecular Compounds Technology, Ukrainian State University of Chemical Technology, Dnepropetrovsk;
- Lviv Polytechnic National University;
- Ukraine Academy of Sciences in Lviv and Kiev;
- Ukrainian State University of Chemical Technology, Dnipropetrovsk;
- Odessa I.I. Mechnikov National University;
- Ivan Franko National University of Lviv;
- National Aviation University in Kiev;
- Carpathian Vasil Stefanik National University in Ivano-Frankivsk.

The following polish sponsors contributed to the success of the conference:

ZPOW "Agropol" in Góra Kalwaria,
Zakłady Chemiczne "BOCHEM" in Pionek,
"EKO-SAM" Kaszewska Wola, Anna-BUD in Bilcza-Morawica.
